

Adelaide High School Learning Area/Subject Promotion Program

Please make sure you arrive on time for the start of the session

Monday 7 August

Starting at 1:05pm

Year 10 – 12 Music Pathways: Kimberly Mullan and Jessica Seyfang

Location: Studio 3

This session targets students in Years 9, 10, and 11. It aims to provide them with an insight into the different subjects offered and their pathways. It will also assist students in understanding the Instrumental Music Program & Hourly Paid Lessons as well as expectations to specialise in an instrument, and co-curricular activities available.

Cybersecurity Overview: Lewis Weeden

Location: Room 121

This session is designed for students in Years 9, 10 and 11 wishing to study Cybersecurity and wanting to learn about our brand-new opportunities in this space at Years 10, 11, and 12.

Tuesday 8 August

Starting at 1:05pm

Year 11 – 12 English Pathways: Briony Steele

Location: Room 122

A short session to clarify the components and differences of Stage 1 and 2 English to help you select the most suitable course for your pathway. Bring along any questions you may have!

Year 10 – 12 Mathematics Pathways: Samantha Hutton

Location: Room 78

This session is designed for Year 9, 10 and 11 students. It will help you understand which Maths pathway will work best for you and your future needs.

Year 10 – 12 Science Pathways: Lewis Weeden

Location: Room 121

Primarily aimed at Year 10s, this session will cover key topics and tips for students wishing to study any of our school's six sciences at Stage 1 or Stage 2.

VET Course Information: Evan Ganiaris

Location: Room 33

This session will look at VET course offerings and the VETRO process required to apply for a VET course in 2024. We will also look at how VET can be used within the SACE.

Year 10 – 12 Dance Pathways: Kimberly Mullan and Lauren Pisaniello

Location: Studio 3

A session designed to clarify elements of the curriculum, community performance expectations, and prerequisites involved in the selection of Stage 1 & 2 courses.

Wednesday 9 August

Starting at 1:15pm

Year 9 – 12 HASS Pathways: Reegan Mastranelo

Location: Room 124

This session will explore the varied options and pathways available for selection in HASS. This will include Business, Politics, Legal Studies and more.

Year 10 – 12 Creative Arts: Kerry Skinner and Tanya Schulz

Location: Room 78

This session is to support students to understand the differences between design / visual art and creative arts subjects at Stage 1 and 2.

Year 9 & 10 Sports Science: Sue Shillabeer

Location: Room 121

This session is for students to gain an understanding of the content, knowledge and understanding when selecting year 9 and 10 Sports Science electives. Includes addressing the pathways into Stage 1 and 2 PE and leading into future careers.

Thursday 10 August

Starting at 1:05pm

Year 10 and 11 Game Design: Evan Ganiaris

Location: Room 20

This session is for students looking to explore the creative arts industry area with a focus on Game Design.

Year 9 – 12 Drama Pathways: Kimberly Mullan and Michaela Moors

Location: Studio 3

A session designed to clarify elements of the curriculum, community performance expectations, and prerequisites involved in the selection of Stage 1 & 2 courses.

Year 11 Rowing: Jo Malcolm

Location: Southern Studio 102

This session is designed for students in year 10 who want to explore the possibility of coaching a sport after school with a rowing focus. They will gain an understanding of the curriculum and requirements to meet this 10-unit subject.

Friday 11 August

Starting at 1:05pm

Research Project Overview: Reegan Mastrangelo

Location: Room 124

This session is designed for students in Year 10 looking to gain insight into the requirements of the Research Project in Year 11. It will discuss tips for best practices and key advice.
